

STEEL TUBULAR RADIATORS

ELEGANT AND STYLISH

Contemporary, elegant and stylish – tubular radiators can be used as an architectural feature of your home while combining looks and warmth in one superior product.

Manufactured with great attention to appearance – a key feature of the tubular radiators is the perfectly smooth lustrous finish without any traces of weld joints, allowing you to make a statement or blend with any interior décor.

If you need confirmation of quality, every De Longhi radiator has a 25 year guarantee against design or manufacturing defects from the date of installation.

finishes

High gloss white.

measurements

Available as 2, 3, 4, 5, 6 columns in various heights Each section width 46mm.

Radiators supplied to order only
