AML3D TO MANUFACTURE IMPELLER FOR THYSSENKRUPP AND WILHELMSEN

HIGHLIGHTS

- AML3D to manufacture marine grade stainless steel impeller for Thyssenkrupp and Wilhelmsen Ships Service
- Aims to demonstrate advantages of WAM® over traditional casting methods

AML3D Limited (ASX: AL3) ("AML3D" or "the Company") is pleased to announce the receipt of a purchase order ("PO") from Thyssenkrupp and Wilhelmsen for the delivery of a marine-grade stainless steel impeller.

The stainless-steel impeller is being manufactured to demonstrate the advantages WAM® over traditional casting methods and given the quality and scale of these counterparties it presents a significant commercial opportunity for AML3D.

The purchase order to manufacture the impeller is valued at SGD \$33k, on usual commercial purchase order terms including 30-day payment.

This announcement has been authorised for release by the Board of AML3D.
