## B2B Fundraising Cycle Ride | 23rd March 2024

2024 is the 31st time that cycle ride events (Murray to Moyne and B2B) have been held to raise funds for the improvement of facilities at our local hospital. We invite members of the community to join the bike ride, sponsor riders or donate directly to this worthy fundraiser. Community members are encouraged to join us in welcoming the bike riders home with a bbq at Virgo Park from 5pm.

The Bordertown Health & Community Foundation works closely with the Bordertown Memorial Hospital to ensure donated funds are spent on improving the equipment available and the comfort of Acute patients and Aged Care Residents. Your donation not only provides an immediate benefit to the hospital, but is also a lasting legacy for the future. We ensure your funds are invested wisely and constantly working toward purchases into the future. We thank our previous donors for their generous support and hope that the community will continue to support us this year.
