

# The Big Cheese

**ULTRA POWER**

**PACKED WITH POWER**

Rodents are one of the most common & dreaded pest problems in Australia today. Rats and mice not only cause economic loss through damage on farms and in commercial premises, they carry disease and can be harmful to your home and family health.

The Big Cheese Ultra Power is a range is the most powerful “active” - “trap” - “sonic” within the rodent control portfolio.

## Mouse & Rat Traps

- Twice the SNAP and 3 times the GRIP
- Each trap is specifically engineered to the target pest
- Powerful food grade attractant developed for the pest control industry.
- Designed to fit in the new Ultra Power bait stations

**Fineline: 3010130 (Mouse Trap Twin)  
3010131 (Rat Trap Twin)**

## Ultrasonic Pest Repeller

**SCIENTIFICALLY  
TESTED  
AND PROVEN**

- More than twice the ultrasonic output of the existing range
- Twin speaker, wide-angle output for whole room protection
- Gives 180 degree coverage
- Uses ultrasonic attack wave technology. Scientifically tested and proven by the University of Queensland

**Fineline: 2961725 (Ultrasonic Pest Repeller)**

## Rat & Mouse Kill Bait Stations

- Superior splay locking system - ultra secure & tamper proof
- Unique ramp design takes pest to bait without compromising child proof features.
- Universal - takes any bait
- Clear lid enables quick inspection of catch or bait take
- Will accommodate Ultra Power rodent traps

**Fineline: 3010418 (Mouse Kill Bait Station)  
3010419 (Rat Kill Bait Station)**

# ULTRA POWER BAITS

Brodifacoum, the active ingredient in all Big Cheese Ultra Power baits, is a single feed second- generation anticoagulant which is highly effective against both rats and mice.

***One feed, one kill formulation  
for the control of rats and mice***

## Fast Action Bait Blocks

- Uses Brodifacoum (Fast Action-One Feed), the most powerful active in rodent control
- Formulated for long term palatability in all weather conditions due to non-dairy formulation
- Single feed kill – less than 1g is required to kill a mouse
- Fastest kill anticoagulant
- Comes in 120g (6 x 20g blocks) and 240g (12 x 20g blocks)

**Fineline: 3010415 (Fast Action Bait Blocks (6 x 20g) 120g)  
3010416 (Fast Action Bait Blocks (12 x 20g) 240g)**

## Fast Action Bait Packs

- Uses Brodifacoum (Fast Action-One Feed), the most powerful active in rodent control
- Single feed kill – less than 1g is required to kill a mouse
- Fastest kill anticoagulant
- Ideal chew-thru bait packs for behind furniture, behind fridges and other hard to reach places
- Available in 200g (8 x 25g bait packs)

**Fineline: 3010417 ( Fast Action Bait Packs (8 x 25g) 200g)**
