

There are a number of communication tools that are used at East Adelaide School to share information with parents and the school community.

To access important information relating to your children and the school you will need to download or access the following applications.

## Seesaw

Teachers will use Seesaw to communicate with you about classroom learning. Teachers will inform you / provide log on details at the start of the year or upon enrolment.

## EdSmart

Wholeschool information is shared via edsmart which parents receive in email format.

Communication will be sent to the email address on your child's enrolment form. If your email address changes at any time please contact staff in the front office.

## Email Addresses

Teachers will email important information relating to your child and the day to day class procedures.

Qkr! is a payment application utilised for payments at EAS. Download the app to your phone, click on East Adelaide School, add your children's names and room numbers, your payment details can then be added and you are ready to go.

The Qkr! app is utilised for lunch orders, school payments, extra curricular activities and after school sports.

## East Adelaide School Facebook Page

Follow our facebook page to keep informed about what's happening at our school
