AIMis1 Chair

Diversity, from one mould: AIMis1 is a comprehensive range of office chairs which meets all workplace requirements. Its design is uncontradicted and widely accepted. The choice of AIMsi1 is always the right one - however large or diverse the property to be furnished.

Design
Manufacture
Create

The diverse AIM collection is particularly impressive thanks to its rich variety and wide range of applications. The modular system means allows for individual configuration across all office spaces and to meet any style. However, in terms of quality, ergonomics and seating comfort too, AIM is always the right choice when furnishing buildings that have a wide range of requirements.
