## VINTAGEis5 Chair

The aim of realising visions creates outstanding developments. For individuals and society as a whole. Our design has shapes that express conviction and functions that showcase our beliefs and zeitgeist. Our passion for engineering to live up to technological challenges and reinterpret complex systems sets standards.

Design  
Manufacture  
Create

The elegant VINTAGE range creates a new dimension of style. It is a unique combination of elegance, intelligence and consequence. The innovative character is a typical feature of the product family and is equally impressive across the entire range of office, management and conference chairs.
