

WALTER KNOLL

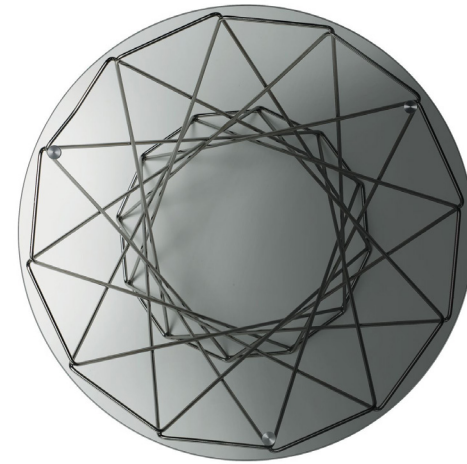

Oota Side Tables

Elegant and brilliant as a piece of jewelry: delicate basketwork supports the round glass top, with its subtle and atmospheric reflection of light. Five different sizes are available, with coated or polished steel frame. Oota Side Table can be used as a sofa

The Oota Side Table wants to be seen. A very special companion, as splendid and elegant as a jewel. The delicate trellis work supports the round glass top that subtly and atmospherically reflects the light. The Oota Side Table is perfect as a coffee table, but also as an occasional table. Available in four different sizes with a black or bronze coated, or stainless steel polished framework.
