

A modern office chair is shown in a futuristic, glass-walled room. The room features a large tree on the left, a fireplace on the right, and a sofa in the background. The chair is positioned on a reflective floor, and its reflection is visible. The overall atmosphere is warm and inviting.

HEJis3 Chair

Colours and materials play a vital role in creating a welcoming space. That's why the HEJ swivel chair features rich fabric finishes - for both visual warmth and lasting comfort. It strikes the perfect balance between cosy and functional, whether in the office or at home.

Design
Manufacture
Create

HEJ brings homely design into the workplace, blending comfort with function. With generous use of soft fabrics and warm tones, it offers the visual and physical comfort of upholstered furniture - while still performing like a desk chair. It's how we bring hygge into the office, creating spaces that feel as good as they work.
