

OFF-GRID SOLUTIONS

Stand-Alone Power System (SAPS)

Reliable. Efficient. Sustainable.

At Helix 3 Energy, we are committed to providing cutting-edge power solutions that meet the highest standards of reliability, efficiency, and sustainability.

Our Stand-Alone Power System (SAPS) is a complete off-grid solution that is designed to meet the specific requirements of Western Power, ensuring seamless integration and exceptional performance in the most demanding environments.

KEY FEATURES:

- High Efficiency Solar Panels
- Robust Battery Storage
- Advanced Inverter Technology
- Remote Monitoring and Control
- Hybrid Solution with optional Diesel Backup
- Single or Three Phase

Stand-Alone Power System (SAPS)

Reliable. Efficient. Sustainable.

BENEFITS OF OUR SAPS:

Sustainable Energy Solution

Zero Emissions: Our SAPS harnesses clean, renewable energy from the sun, reducing your carbon footprint and contributing to a greener future.

Energy Independence: Enjoy the freedom of generating your own power, reducing reliance on external power sources.

Cost-Effective

Lower Energy Bills: By generating your own electricity, you can significantly reduce or even eliminate your energy bills.

Long-Term Savings: Our durable and efficient components ensure long-term savings on maintenance and replacement costs.

Reliable Power Supply

Uninterrupted Power: Our SAPS is designed to provide reliable power supply in remote locations, ensuring you always have the energy you need.

Disaster Resilience: With our SAPS, you are better prepared for natural disasters and grid outages, ensuring continuous power for essential operations.

APPLICATIONS:

Residential: Perfect for homes in remote areas or those seeking energy independence.

Commercial: Ideal for businesses looking to reduce energy costs and enhance sustainability.

Agricultural: Ensure reliable power for farming operations, even in the most remote locations.

Industrial: Provide consistent power for critical infrastructure and operations in off-grid locations.

WHY CHOOSE HELIX 3 ENERGY?

Expertise and Experience

With years of experience in the commercial electrical sector, we have the knowledge and expertise to deliver top-quality SAPS solutions tailored to your needs.

Customer Support

Our dedicated support team is available to assist you with any questions or concerns, ensuring you receive the best possible service.

Quality Assurance

We use only the highest quality components and materials, ensuring your SAPS is built to last and performs at its best.

CONTACT US TODAY!

Take the first step towards energy independence and sustainability with our Stand-Alone Power System. Contact us today to learn more about our products and how we can help you achieve your energy goals.
