Marni naa pudni...

Hi everyone...I really can't believe how fast this term has gone! It has been quite a busy first half of the year and it is no wonder we are all a bit exhausted!

Teachers are currently very busy writing the Mid-Year Reports. These are formative reports and serve as a progress check on how students are tracking to achieve the relevant curriculum outcomes in each subject area by the end of the year. This is the first part of a two-stage mid-year reporting format we introduced a couple of years ago. We will be sending home formative achievement and effort grades in the mid year report with follow up parent/carer-teacher-student meetings to be available in Weeks 2 and 3 of Term 3.

In these meetings, teachers will meet with you to describe your child's progress and learning in each curriculum area. We encourage ALL families to book a time with their child(ren's) teachers and we are happy for people to bring along an interpreter if need be, or provide one if we know in advance. This will ensure that all parents understand where their child is at and how we can work together on future learning goals.

Next week, the year 4 and 5 students will be going swimming at the North Adelaide Aquatics Centre which is a heated, indoor venue. Please ensure your child has a dry towel each day and name all clothing and swimming items.

SPECIAL REMINDER...SCHOOL DISCO TOMORROW NIGHT! Thank you Ms Weigl and the Event Management Team!!!

Kind regards, Lissa

We acknowledge and pay
respects to the Kaurna peoples,
whose ancestral lands we gather
on to teach and learn.

We acknowledge the deep feelings of attachment
and relationship of the Kaurna peoples to Country.
We respect and value their cultural beliefs and their
past and present connection to the land.

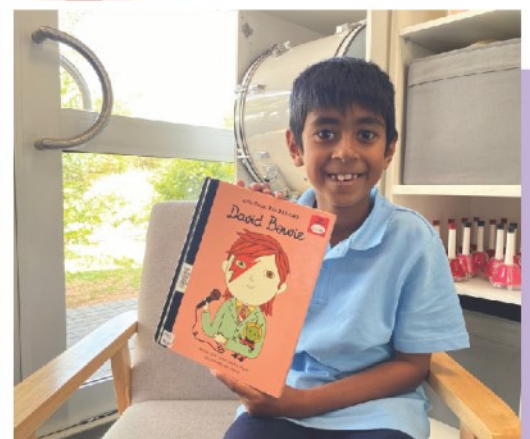

THE ARTS

We have had a wonderful start to the year!

In Visual Arts we have made sock puppets and sculptures, learnt about many different artists and explored lots of new techniques!

In Performing Arts we have created podcasts, stop motion animations, used green screens and so much more!
