

Citation: Allison Prandolini

9 July 2024

I am writing to formally nominate Allison Prandolini for an IPSHA Fellow service award.

Allison's commitment and contributions to IPSHA Victorian Branch have been outstanding since 2008.

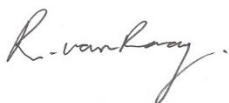

Allison joined IPSHA in 2008 and has continued to be an active participant within the Victorian Branch. She joined the Victorian Executive in 2015, serving until the end of 2016. After a short break, she rejoined the Executive in 2019 when she became Head of Junior School at Tintern Grammar School.

During her time on the Victorian Executive, Allison served as the Chairperson of the IPSHA Choral Festival from 2015 until 2021 and has also served as President-elect in 2020-2022, President 2022-2024 and is currently Immediate Past President. Allison's contributions have extended nationally when she was elected as IPSHA National President-elect recently.

Allison's commitment to IPSHA has remained strong. Most notably, Allison has been instrumental in leading the Victorian Branch's new strategic direction, setting clear goals for the Branch in line with the National Board's priorities of; Connecting, Growing, Advocating, Partnering, Sustaining. Her commitment and dedication was evident when she served on the organising committee for the IPSHA Biennial National Conference held in Melbourne this year. Allison rarely misses any meetings and has attended Tri-State and National conferences since becoming a member, further demonstrating her dedication to IPSHA.

Allison's leadership, friendship, and capacity to offer guidance and support to fellow IPSHA members have been widely recognised, valued and appreciated by all members. Due to her exceptional contributions and steadfast dedication to IPSHA, I firmly believe Allison Prandolini is deserving of an IPSHA Fellow service award.

Kind regards
