

Leaving a gift in your Will doesn't require much time or a lot of money

Here are some steps to help you navigate this process:

1. Determine the specifications of your gift:
 - A sum of money, and/or
 - A proportion of your estate, and/or
 - Specific assets.
2. Make an appointment with your solicitor to legalise your decision, and provide them with the sample wording below. If you are creating or updating your Will, we suggest you seek legal advice to ensure your wishes are expressed correctly in your Will.
3. Please let us know if you've left a gift in your Will, as we would love to say thank you! It is also helpful for us to understand if you would like your bequest to be allocated to a specific region or area of work.
4. Keep updated with the work of Outback Futures through our website (www.outbackfutures.org.au), regular e-newsletters and social media, so you can understand the impact your gift will have in our outback communities.
