

RIVERSIDE

CHRISTIAN COLLEGE

2024 UNIFORM POLICY

UNIFORM GUIDELINES

Riverside Christian College has ambitious standards associated with the personal appearance and the dress code of our students. In consultation with the college community, this standard has been adopted. It is designed to create a positive, disciplined image for the student and a sense of respect for the college community of which they belong. We believe that high standards assist in helping the students understand the disciplines required to be equipped for life.

We therefore ask for your support in maintaining these standards, though the importance may not always be understood. It is our belief that students will one day reap the benefits of these.

Riverside Christian College will be diligent in enforcing the dress code and where students fall short, both they and their parents/carers will be asked to help remedy the situation. The College reserves the right to deem what is suitable and appropriate, including free dress days.

Only items of clothing specified in this policy shall be worn to, from and at the college. All students are expected to maintain their own personal hygiene and appearance.

All students dressed in the uniform outside college hours in the general public should be mindful that they are representatives of the college and dress standard should not falter from that stated within this policy.

The college has a *no hat – no play* policy. Students will be asked to be seated under shade during play times if they have no hat. Students must wear a hat whenever they are out of the classroom. Students found not wearing a hat will be issued with an infringement. It is the responsibility of the parent to ensure children are in full uniform each day on arrival at school. If a child is sent to the college not in full uniform, a note from the parent to the teacher is required on this day.

The Principal is authorised to enforce this Policy and may make arrangements with the parent to have the child sent home for not adhering to the Dress Code and Uniform Guidelines. At the discretion of the Principal, approval may be granted for specific exemptions.

Non-Uniform days – There are times at the College where students can attend in alternate clothing. It is imperative that the outfit chosen meets sun safe requirements and dress standards of the College. Students should have sleeved shirts, appropriate length skirts or shorts and wear enclosed shoes. Midriiffs and singlets are not permitted. Students will also need to meet the hat policy and ensure a hat is worn whenever outside of the classroom. It is important that alternative clothing days meet the ethos of our college. Inappropriate slogans and advertising on clothing and failure to meet the dress standards will result in students having to make alternative arrangements.
