Who we are

We facilitate Alumni and student connection through high-level industry collaboration, mentoring, professional development opportunities, scholarships, networking and more.

WASM has global standing as a Centre of Excellence, which means many of our graduates are emerging resource sector leaders. WASMA helps them become connected advocates for their industry.

WASMA is an independent Incorporated not-for-profit Association and is committed to overcoming skills gaps and maintaining a world-class Australian resources industry. We cultivate research and knowledge opportunities for our resources sector and we showcase Alumni success and industry thought leadership with pride.

Our Mission

WASMA was established to support WASM graduates at every career stage by generating unique opportunities through networking and mentoring, professional development, community outreach and celebration of achievements.

Our Vision

To build on the WA School of Mines globally recognised reputation as a Centre of Excellence (curriculum, research, student enrollments and talent pipelines).

Maintain a regional and city focus, as we support Alumni, the Kalgoorlie/Bentley campus and current students with networking opportunities, industry experience, mentoring, scholarships, vacation work and resources camps.

WASM credibility, quality, and excellence — continuously evolving to meet the dynamic changes and innovations within the resources industry continues to adapt and innovate.

Our Values

Led by a team of committed, visible leaders (Board, Council and Execs) our people are aligned to the Alumni by a set of unique values, lived daily through our words and actions. We have focused effort upon our culture to enable us to achieve our Vision faster.

Our values are:

- **Excellence:** Crystal clear focus on what matters the most, relationships, the qualification and connectedness of WASM students, graduates and our Alumni.
- **Pride:** Passionate about our history and great care in the work we do.
- **Inclusiveness:** Stronger together. The resources industry making a difference, regardless of our discipline.
- **Collaboration:** Resourcefully, we rely on our network for the greater good.

President's Welcome

As we welcome 2026, I'm proud of how far the WASMA community has come and grateful for the people who continue to support it. Many of us work in remote and challenging places, but it is this community that keep us grounded and thriving.

Over the years, we have seen graduates become professionals and industry leaders. It is a privilege to be part of a network that has shaped so many careers. The dedication of our Council, volunteers and sponsors is what makes WASMA strong.

This year we also look ahead to a remarkable milestone. With the 125 year anniversary of WASMA coming up in 2027, it is a time to honour our history and build a legacy for future generations through scholarships, support and meaningful opportunities.

As we launch our 2026 Sponsors & Partners Prospectus, we invite you to be part of that journey. Sponsorship is more than just a way to support the association. It helps us create opportunities and pathways for future leaders and strengthen our alumni community.

Thank you for your continued trust and support for WASMA. We look forward to another year of shared success.

Regards,

Darren Stralow

Kalgoorlie Events

Our Kalgoorlie based events celebrate the heritage and community at the heart of Australia's resource sector. These gatherings connect alumni, current students, and industry professionals in Kalgoorlie's unique setting, providing an ideal platform to foster relationships and showcase industry advancements.

From the iconic Kalgoorlie Sundowners and the Diggers & Dealers gatherings to the Graduation Dinner, each event is designed to honor the rich traditions of the Goldfields while supporting the next generation of resource professionals. Sponsoring these events positions your brand within the historic epicenter of Australian mining, aligning it with the pioneers and leaders shaping the future.

Kalgoorlie Graduation Dinner

8 May 2026 | WASM Graduates Hall, Kalgoorlie

This annual event celebrates the graduation of Kalgoorlie's WASM students and serves as a key networking opportunity, formally welcoming graduates into the Alumni community. It also honors those who graduated from the WA School of Mines 50 years ago, reinforcing valued, long standing connections within the industry.

Diggers & Dealers Sundowner

4 October 2026 | WASM Graduates Hall

Each year, Kalgoorlie hosts one of the world's premier mining conferences, drawing industry leaders from across the globe. Our Diggers & Dealers Sundowner is a key event for alumni returning "home," consistently selling out for the past five years with a 500-person capacity at the WASM Graduates Hall.

As a corporate event, the D&D Sundowner offers sponsors a unique opportunity to connect with alumni leading resources companies and engage with the next generation of mining professionals. We take pride in the lasting relationships cultivated at long standing events like this, where we also recognise outstanding contributions from our members.

Mentoring Programs

Our Mentoring Programs are designed to bridge the gap between seasoned professionals and emerging talent within the resources sector. The Mentoring Program and Executive Mentoring Program offer structured, impactful connections that empower participants to share insights, build skills, and cultivate leadership qualities.

Sponsoring our Mentoring Programs aligns your brand with the growth and professional development of the next generation of industry leaders, demonstrating a commitment to nurturing future talent and supporting a thriving, collaborative industry. These programs are invaluable opportunities to invest in the resource sector's continued success and sustainability.

WASMA Mentoring Program

April - September 2026

The WASMA Mentoring Program offers sponsors a chance to support emerging talent in the resources sector by connecting young professionals with industry leaders. In 2025, we received 180 application (an increase of 30% from the previous year). This program provides sponsors a meaningful way to impact the industry's future.
