

PERFORMANCE LEADERSHIP

MELBOURNE

Accelerate your leadership journey – Thursday 30 & Friday 31 May.

Performance Leadership is a unique and exciting new leadership program delivered in partnership between Victoria University and the Western Bulldogs.

The 2-day in-person course focuses on practical learning, with attendees completing a range of facilitated exercises designed to build understanding of the complexities of leadership and in doing so recognize, adapt, and improve their own approach to leading teams. Practical learning is complemented by high performance sport insight through a range of industry leaders and Western Bulldogs guest presenters, providing a behind the scenes look at leading in high pressure, performance driven environments.
